What?
Really?
You look much better this way It's more you
Cute!

It feels like a school uniform date!!
Can we walk around here?
Just a little bit longer
It's kind of embarrassing
Can I change now?

These days I can't push it like I used to
You're a third term student, right? You're not that old
I feel younger!
This is nice it's a change.
Yeah I change out of it when I get to school and change back before I get home
My parents are big nags
I see
Do you always carry around your uniform?

How do I look?
Heh heh

Info To Help You Understan...Where's Sae Going On
Sae has been held back in high school...yet everyday she's been telling lies to everyone by skipping her makeup classes and sneaking onto the college campus where she wishes she was a student. There, she met and started dating Takuma. But the truth of her high school embarrassment soon came out and the love affair ended. Her feelings hurt. Sae meets another guy by the name of Shinji. Unlike Takuma, Shinji doesn't put an end, and Sae quickly warms up to him. That he doesn't seem to mind that she's been held back makes her like him even more. Sae soon begins to believe that Shinji could be the one, but is it too good to be true?
Konji Sarwatari
Sae's childhood friend. A perv rough around the edges. Nickname is Saru. Really likes Sae.

Yeah, they're fun
Are car shows fun?
You wanna go next time?
かあーっ

Will you wear your school uniform?
I can't wait!
Cross your heart hope to die
Make sure you take me Promise

*Signal-Lead Cars Outdoor display

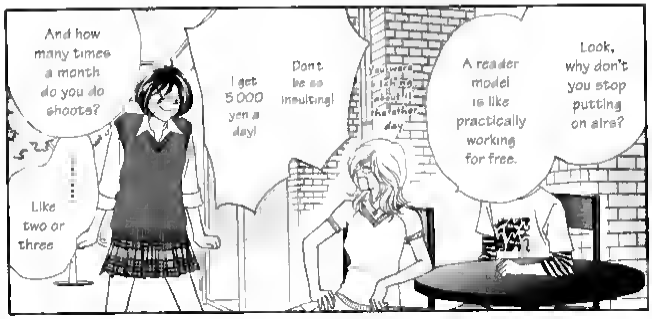
Who knew this stupid uniform held such power?
But the person wearing it is just average
I feel past my prime
I told you, you don't need to worry about that
Being held back might be something you want to hide
...but there's a positive side to everything
Do you really like it that much?
Just forget it!
Sorry, ignore that!
What am I a dirty old man?
Ugh! Did I just say that?
Oh my
Sae, you're seriously cute
It's dangerous
You've had more disappointment than people who were accepted right away. You have more life experience
You're not unattractive at all, Sae
Shinji

Can a reader model even make that much?
2 200 000 yen is nothing I just have to work a few jobs
Then it's a piece of cake to pay for Kiley's car repairs too right?
It's not like you're dating him. He just owns the car you damaged.
And can you really cough up 200 000 yen?
Miss Supermodel is in a new league
Kiley, take notes Sae's earning the big bucks
That wasn't me! I told you!
What's with you? I hate you, Momo!

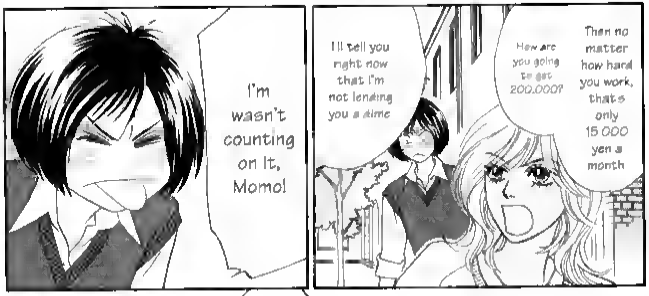
What should I do?
He understands me so well...
Maybe he really is the ONE!
I want someone who will accept everything about me
It's not good to hide things after all
Who isn't?
Whatever! So you're all about looks after all?
I don't need to hear any more from you Miss Perfect
Saru totally accepts everything about you, Sae
What about Saru?
No, he's too uncool

Did you find a job?
Not yet.
But
What are you doing you goof off?!
How much do you have right now! Show me everyth ng you've got!
HEY HEY HEY!
WAAHHH!

What's this?
What do you mean?
It's everyth ng here
What are we going to do?! This is nowhere near 300,000 yen!!
I don't have any
What about savings?
That's it?
You say that, but



And how many times a month do you do shoots?
Like two or three
I get 5,000 yen a day!
Don't be so insulting!
A reader model is like practically working for free.
Look, why don't you stop putting on airs?



I'm wasn't counting on it, Momo!
I'll tell you right now that I'm not lending you a dime
How are you going to get 200,000?
Then no matter how hard you work, that's only 15,000 yen a month

Hey Saru!
I can get 200,000 yen. That's nothing
Just forget her
Will she be okay?
Hmph!!

I swear! Isn't there some kind of job where I can make a lot of cash fast?
She probably hasn't done that before.
Sae

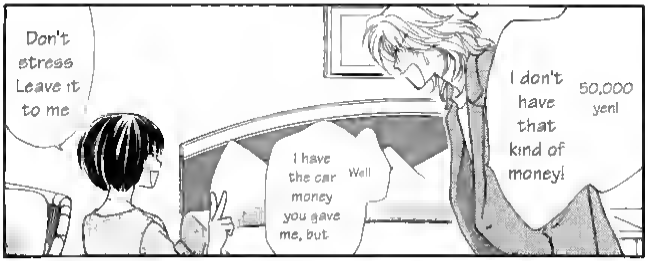
PEACH CLUB!

Hello! It's been a while! Here is *Peach Girl: Sae's Story* Volume 3. Since Volume 2 came out, almost a year has passed. Thank you all for being into it! But also, my apologies! I wasn't planning on taking so much time off, but it passed before I knew it.

I went on a maternity leave to care for my baby, but life with a child is so much harder than I ever imagined. I was always able to balance work and manage a household, but with a baby it felt impossible. It's beyond me! There are authors who can do it, but I'm very slow at writing the stories and drawing, so it's pretty hard. Okay, talk to you soon! ~ Miwa



Don't stress Leave it to me
I don't have that kind of money!
50,000 yen!
Well
I have the car money you gave me, but

Hey, are you hungry?

And maybe he feels guilty so he can't call back
He accepted me—even my bad parts, you know?!
There's no way Shinji would dupe me!!
He said he loved me in his e-mail
—and we had a great time yesterday!

What happened yesterday?

But wait How did you know I work here?
Did I tell you where my job was?
I already ate lunch

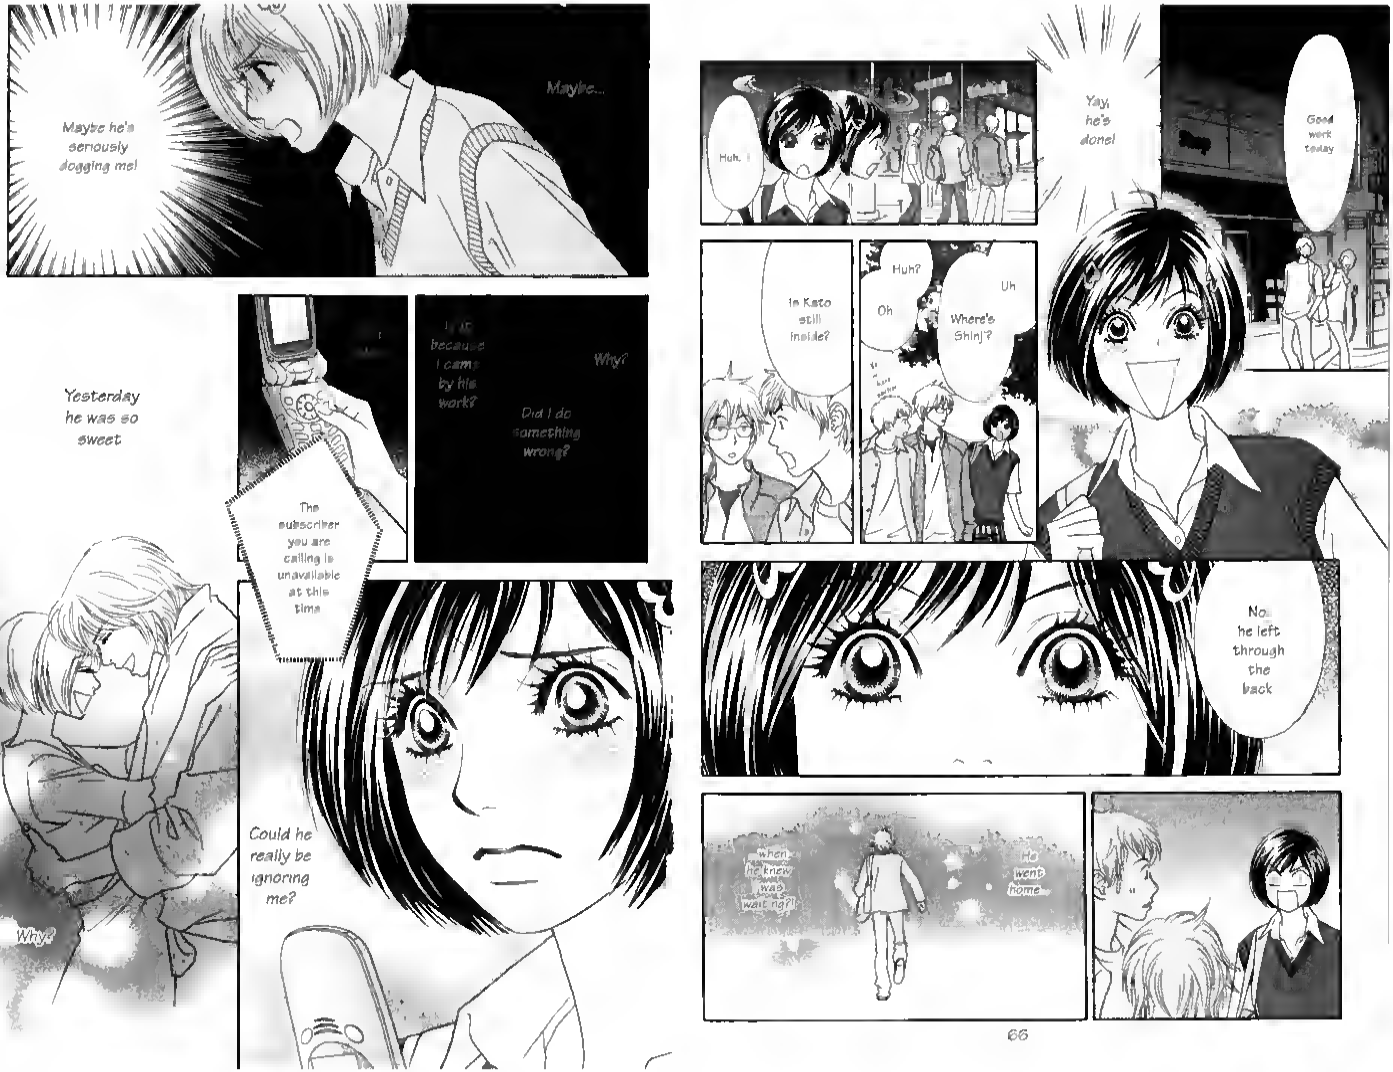
Can you take a break now? Are you hungry?
Oh, I brought you lunch
Anyway, I have to go back to work
Is she waiting for you?
Kato, that girl is still lurking



Maybe he's seriously dogging me!

Yesterday he was so sweet
Is it because I came by his work?
Why?

What?

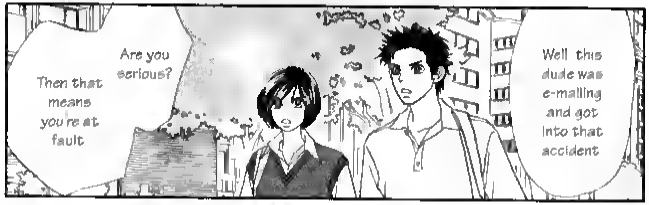
She's a model, and she seems to be doing well



Then that means you're at fault

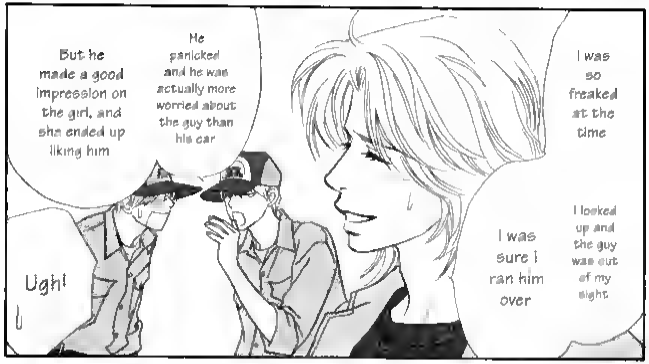
Well this dude was e-mailing and got into that accident



But he made a good impression on the girl, and she ended up liking him
He panicked and he was actually more worried about the guy than his car

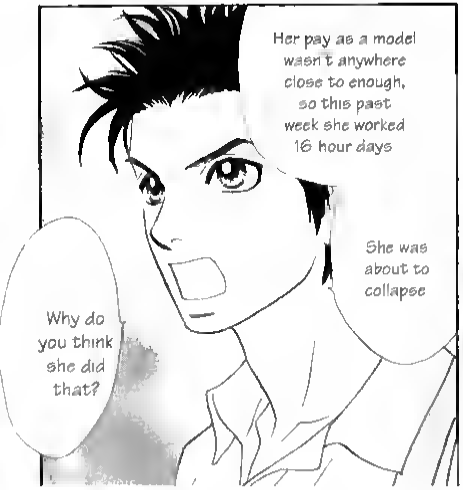
PEACH CLUB!

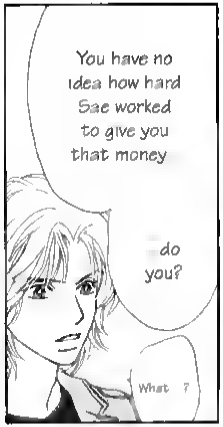
Hey! The extra chapter included in this volume, "Love Charge," was something I did during the six months after I gave birth. Putting together a draft while taking care of a child took a lot of time. I think from now on that it's not going to be possible to keep up my original pace, so for a while I think I'll be slowing my workload. This means I'm going to temporarily take a break from *Peach Girl: Sae's Story* and do projects that allow me to work on less pages for a while. When I'm in a situation where I can work long hours again, we might get to meet here again. I'm going to be doing my best on new projects, so it would make me very happy if you would read my other work. Thanks! ~Miwa

I liked you better when we first met and you, like, ate ramen
I thought it would be nice if we could go on like that
You were so cute when you weren't posing
And it was good just being with you, watching the stars
We had fun talking about whatever
Like it didn't have to be me that you were with
But the other day, it didn't seem like you were into being with me.
It seemed more like you just wanted to go on an expensive date...
Huh?
I thought we live in different worlds
But when I saw you ordering expensive champagne...
the 50,000 a night room threw me
On the drive, when we went to that hotel...
Every couple does stuff like that.
It's cool to go all out on special occasions.
I wounded his macho pride?
That's the reason?!
It's not like I'm always going on dates like that
I just wanted to do something memorable with you, Shinji

You're saying you thought you couldn't deal with Sae...
...because your maternal values are too different?
Wait a minute.
I'm her childhood friend, and Sae isn't some wild spender
I know the real Sae.

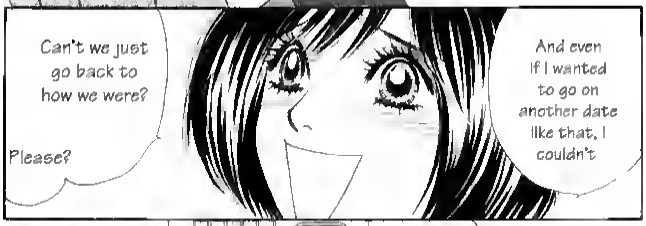


Her pay as a model wasn't anywhere close to enough, so this past week she worked 16 hour days
She was about to collapse
Why do you think she did that?



You have no idea how hard Sae worked to give you that money
...do you?
What ?

I wanted to spend time with you, Shinji
There's no way I'd do what we did with someone I didn't really like!!
That's not true!

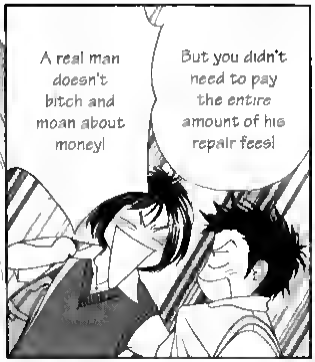


Can't we just go back to how we were?
Please?
And even if I wanted to go on another date like that, I couldn't

I'm sorry
When I think something's not right, I can't change my feelings
.....

Shinji really wanted that car, okay!
He's free to use the money any way he wants!!

I love you, Shinji.



A real man doesn't bitch and moan about money!
But you didn't need to pay the entire amount of his repair fees!

.....

It's because she wanted to see the look on your face when she handed you the money

I'm not a contracted model, so I don't get paid much

You don't make a ton of money as a model?

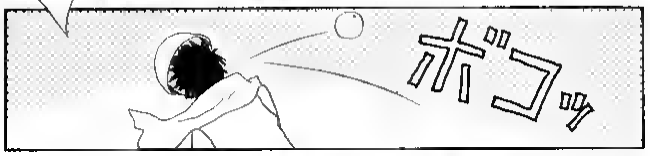
Impressing you was why she worked so hard.

Saru!!
—I think you and your values are warped.
—I scored some easy cash" and go get a new car with it wel!—
The fact that you can take money that she worked herself to the bone to earn, and think "Lucky me

ザバーッ

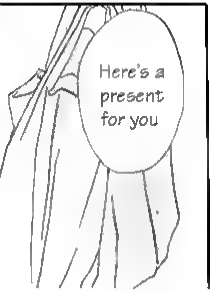
Are you really happy with that guy?!
I don't get it!

I can't stand it!!
Aggghhh!!



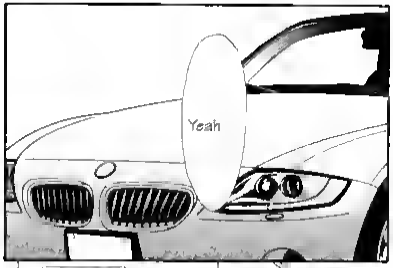
ボコッ

Why are you yelling?

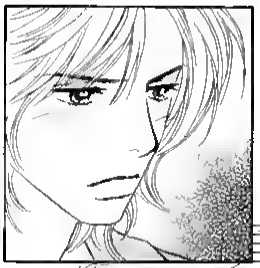


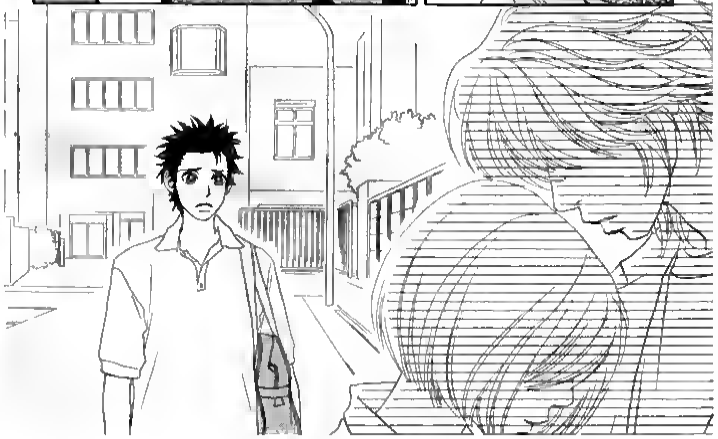
Here's a present for you

I'd like it if you would take me on a drive again
I don't care about the money



Yeah





The double whammy of getting my heart broken and no party would be too sad
Still I'm so glad that I didn't get dumped before my birthday
I owe Saru one
Shit
Oh my god, I'm so excited!
I wonder what kind of party Shinji is going to throw for me?
You must be tired
Shinji!

That was a nice follow-through
Thanks to you everything's back to like before
For me?
I thought I heard
But I thought I heard 200,000
You paid 300,000 for Shinji's repairs right?
!!
No no You didn't hear right
Did I hear right?
there was something that bugged me
Come to think of it...
What?

Yeah just like I remembered This ramen is good
I thought he didn't like being treated
Why am I treating?
But ramen is okay?
But I'm not getting that nice feeling like the last time.
It is good
"I liked you better when we first met and you, like, ate ramen"
It was true. Back then I felt happy even with a dumb bowl of ramen
But now it's not enough...
My stomach gets full, but I'm not satisfied
I wonder why
I've been working more
It's no fun
But Shinji, you don't even go to classes
He's so not into it!!
Sae
You came ?
I see, his car loan.
Oh
But I didn't go to the bank so I'm broke
More importantly I'm hungry
No tea
Hey, can we go get some tea somewhere?
Wait a minute
Itadakimasu
Sigh I'm so tired
Ramen
Huh?
I want to go back and eat at that ramen place

But if this...
...keeps up...
You're not even driving me home tonight?!
At this rate we'll never be able to have a proper date
The only time we meet is after you get off work!
I have to break in the engine...
Then why drive here?
Sorry...
I'm tired
Good night.
CHU
Be careful getting home
I've got to get up early, so I'm going home
What do you want to do next?
Maybe my taste has become more refined
Excuse me?
Sorry
I can't stay out any longer
I could get into an accident Can you take the train home, Sae?
What?
I want to spend more time with you

What?
You don't remember what day it is...
Tomorrow

It can be on weekends, or your days off
We don't have to see each other every day
Can't you think about me more?!
That's kind of...
...heavy.
Heavy...?
HEAVY.
"HEAVY."
Next time we see each other, lemme call you first
Bye

My birthday...
ブオオオ
Any-way- I'll call you.

He forgot...
It's the same as saying that he didn't plan my party
The fact that he scheduled work on my birthday
No, there's no way that's possible
"Then we definitely have to celebrate it this year"
What should I do?
"When I think something's not right, I can't change my feelings"
"It's heavy"

Today, after work will you celebrate my birthday?
That's okay, isn't it?
I'm sorry
What if he blows me off again?
Will he call when he gets off work?
How long am I supposed to wait?
"I'll call you."

ピンポン
Then I won't bother you anymore!
Just stay with me today!
No!!
It's me who's petty.
I'm sorry I said your ex was petty

What ?
I can't live up to your expectations, Sae
I can't do this anymore
And since you've never had your own party, you're probably expecting something elaborate, with cake and everything
I feel like you won't be satisfied unless it was like that fancy hotel
But
It's not like I forgot your birthday...
The more I thought about it
—the more pressure I felt
And I started to think that it wasn't fun being with you anymore
